PLAN SUMMARY

The standard one-day touring plan of Epcot from the current Unofficial Guide. Includes Guardians of the Galaxy: Cosmic Rewind, Remy's Ratatouille Adventure, Soarin' Around the World, and more. Plan to arrive at EPCOT's main entrance around 50 minutes before official opening (and 70 minutes ahead on holidays and other busy days). Get maps and the Times Guide when you arrive.

PLAN SUMMARY

If Guardians of the Galaxy: Cosmic Rewind is using a virtual queue, obtain a boarding group at 7 a.m. or 1 p.m. To use Genie+ with this plan: The most useful Genie+ reservations for this plan are for Remy's Ratatouille Adventure, Test Track, and Soarin' (in that order). Get the first available reservation for one of those, and fit that return time window into the plan. Once you're able to get your next Genie+ reservation, look for the earliest return time for any of the next few attractions in the plan. If using Individual Attraction Selections, try to get a Guardians reservation for as close to park opening as possible, and a Frozen Ever After reservation for around 2 p.m.

Your Plan Steps

STEP

1) Guardians of the Galaxy: Cosmic Rewind

Notes: If Guardians is NOT using a virtual queue, you'll find the shortest lines at the moment the park opens.

2) Test Track

Notes: Test Track is often not running early in the morning and late at night. Before you walk all the way over there, ask a Cast Member (or check our Lines app or the My Disney Experience app) to see if it's operating.

3) Mission: SPACE

Notes: If your group includes teens, ride Mission: Space. Skip it otherwise.

4) Spaceship Earth

5) Soarin' Around the World

6) Living with the Land

7) Rest

**** Staying inside the park**

Notes: Eat lunch. Sunshine Seasons at The Land pavilion is the best - and closest - choice.

8) The Seas Main Tank and Exhibits

Notes: Tour The Seas' main tank and exhibits.

Notes: Walk through Journey of Water on your way between The Seas and other attractions.

14) Italy Pavilion
