PLAN SUMMARY

A 1-day touring plan for parents with children ages 8 to 12. It includes attractions rated 3.5 stars and higher by this age group, and it sets aside ample time for lunch and dinner.

PLAN SUMMARY

To use Lightning Lane with this plan: The most useful Lightning Lane reservations for this plan are for Remy's Ratatouille Adventure, Test Track, and Soarin' Around the World (in that order). Get the first available reservation for one of those, and fit that return time window into the plan. If using Single Lightning Lane Attraction Selections, try to get a Guardians reservation for as close to park opening as possible.
